

Northwind Labs Employee Handbook

Northwind Labs is a fictional software company.

Standard working hours are 09:00 to 17:30, Monday to Friday.

Employees may work from home on up to two days each week after the probation period. Probation lasts three months.

Leave

Employees receive 20 days of annual leave each calendar year.

Sick leave is available for up to 10 days each year.

Send leave requests to the manager five working days ahead.

Up to five unused annual leave days may carry into next year.
